BUSINESS SEMINAR ANNOUNCED FOR APRIL 28, 2010

The City of Colonial Heights and the Colonial Heights Chamber of Commerce announced today that they are co hosting a business seminar for businesses in the City that might be considering expansion, rehabilitation and or new development. Items to be discussed include a review of the local retail economy, explaining new city incentives that have been approved by the City Council and other incentives now under consideration. In addition small business financing options will be discussed by representatives of the Crater Development Corporation and REDC Community Capital Group.

The City Council recently approved legislation that would provide a partial real estate tax exemption for substantially rehabilitated, renovated or replaced commercial structures for real estate improvements. The City Assessor will discuss how this legislation will be implemented. The City's Retail Marketing Coordinator will review the state of retail development and other City incentives.

The seminar will be held at the Dunlop House, 235 Dunlop Farms Boulevard on Wednesday, April 28, 2010 from 4:30 pm-6:00 pm.

This is a great opportunity to find out how your business might be able to utilize these incentives and financing to grow and or expand.
