NEWS RELEASE

MAY 7, 2010

Resurfacing of Southpark Boulevard and Dimmock Parkway begins May 16, 2010

Update 5/24/10: Weather permitting, substantial completion is anticipated by May 28, 2010. Due to rainfall received last week, work progress was delayed.

Resurfacing of Southpark Boulevard and Dimmock Parkway is scheduled to begin May 16, 2010, weather permitting. Nightly lane closures from 9 PM until 9 AM will continue through at least May 21. The schedule for completion is weather dependent. Local and emergency access will be maintained during this time.

Motorists are advised to seek alternate routes and to allow extra time for travel. The City of Colonial Heights is undertaking these actions to maintain service while ensuring the safety of the traveling public and regrets any inconvenience this may cause.

This project is being funded with monies made available to the Crater Metropolitan Planning Organization by the American Recovery and Reinvestment Act of 2009.

Blakemore Construction Company of Glen Allen, Virginia is the contractor.

For more information, please contact the Department of Public Works at 804-520-9334.
